

Animal &
Plant Health
Agency

Animal Technologist

Full Time, Permanent | £27,245
APHA Weybridge, Surrey, UK | Ref 357328

About the role

Daily responsibilities primarily consist of the daily husbandry, care and welfare of a wide range of species ensuring the highest welfare standards and conducting regulated procedures under license for which full training and accreditation is provided. Staff will also routinely use both laboratory and agricultural machinery as part of their role and may be involved in the collection and delivery of livestock.

About you

We are after enthusiastic, dynamic, and proactive individuals with a passion for working with animals. No previous research experience is needed as training will be provided in the role.

About the Animal and Plant Health Agency

An executive agency sponsored by Defra, APHA safeguards animal and plant health for the benefit of people, the environment and the economy. The Agency's remit is as wide-ranging as it is far-reaching, with specific responsibilities that include identifying and controlling endemic and exotic diseases and pests in animals and keeping track of new and emerging threats.
